MOBILE GAS COMPANY.

COKE AND TAR.

THIS company has on hand a constant supply
of Coke for sale. This very superior
article for parlor fires is not generally known,
it makes a much more agreeable fire than Coal
shows out a greater quantity of heat, and is
free from smoke, and is a great improvement
in cooking and heating stoves. It is far preferable
to charcoal.

30,000 GALLONS COAL TAR FOR SALE.—Coal
Tar is most useful for every plantation for pre-
serving fences, railroads, and all wood work.
It is an excellent paint for wood or iron.
When mixed with lime and sand, heated to
simmering, and well laid on it will resist the
action of fire for a long time.

It is valuable, also, to preserve seed corn, &c.
from being eaten by the corn earworm, which has
been saturated with Coal Tar. It does not
prevent vegetation as common Pine Tar does,
and is much less troublesome to use, and half
a pint is sufficient for a bushel if poured over
the seed.

Sold at the works at 10 cents per gallon.—
Barrels to be provided by the purchaser.
